Over the top

People tell me you didn't know better,  
Give me sermons 'bout the things that I do,  
Couple of 'em even wrote letters,  
You know I even answered a few, I said,  
I've been doing poison,  
I guess I poisoned my life,  
I know about poison,  
It's better than marrying a wife, oh

On the road the pace is getting frantic,  
'Specially when your poisoned out your mind,  
A flight of stairs is like swimming the Atlantic,  
When you're poisoned and deaf, dumb and blind, I say  
I take my poison,  
I guess I poisoned my life,

I wish I was poison,  
I wish I had poisoned my wife

My Father, he used to be a Preacher,  
Never taught me nothing but scorn,  
If I ever catch him on the street, yeah,  
I'll make him wish he'd never been born because,  
He was poison,  
I know he poisoned my life  
He was poison,  
I wish my mother wasn't his wife, no!  
Poison
