

Motorhead "Rock Out"

hear the music comin'
Loud as you can stand
you will never be the same again

let the beat in to you
let it turn you around
let it be your best friend
you are the future, its your time
you and you and you....

just stay together, this is yours and mine
what we gonna do

ROCK OUT
ROCK OUT
ROCK OUT
let it crush your fear

ROCK OUT
ROCK OUT
ROCK OUT
and you can get it here

here comes the bass
thunder in the guts
rockin' till you can't stand

now the guitar speaks
gonna drive you nuts
power under your hand
you are the people and now you shine

you and you and you
stay together, let me speak the line
what you gonna do

ROCK OUT
ROCK OUT
ROCK OUT
let it crush your fear
ROCK OUT
ROCK OUT

ROCK OUT
you can get it here
ROCK OUT
ROCK OUT
with your cock out
impress your lady friends
ROCK OUT
ROCK OUT
ROCK OUT
till your life is at an end
yo..
