We're out of time, we're out of line  
We're all out here waiting for a crime  
We don't mind, we ain't fooled  
We're gonna read you the real bad news

Fire in the hole, bullets in the sky  
We know something and we can't tell a lie  
Gonna run away, gonna run amok  
Gonna run my mouth 'til I run out of luck

Alright, leave me out, give a dog a bone  
Been a long time since I've been home  
Running over land, running over sea  
Get on the dog and talk dirty to me

Running up a street, running up a hill  
Hotel telephone running up a bill  
Chase my tail, catch me if you can  
Don't wanna mess with the runaround man

We're out of cokes, clean out of smokes  
It's not funny 'cause we run out of jokes  
Going to the movies, babes in the wood  
Gonna get a telescope, look real good

Gonna run out, rolling like a rock  
Gonna get a girl and she gonna get me off  
Gonna be a man, gonna be a fool  
Gonna be a dog with a mouthful of booze

Oh yeah, gonna be free, run away to the sea  
Gonna be a pirate, you'll never find me  
Going over sea, going over land  
Get made up like the elephant man

Stand in line, waiting for a break  
Live in California, waiting for a quake  
Chase my tail, catch me if you can  
Don't you mess with the runaround man

We're in a hole, we're in a fix  
Give the dog a bone and throw me a stick

Don't be a bitch, singing the blues  
Don't like the shirt and we don't like the shoes

Gonna walk out, gonna walk away  
Gonna walk the dog, honey, every other day  
Gonna be strong, stand your ground  
Gonna be funny when they send in the clowns

Hey, hey, give me a clue, show me a trick  
Go to Brazil and see what you missed  
Getting too close, getting too near  
Don't even know what I'm doing out here

Going too fast, never gonna stop  
Know how to roll and we know how to rock  
Chase my tail, do the best you can  
You can't mess with the runaround man
