Got to hurry, got to hurry
I don't believe you worry
Take it back, take it back
You know you can't do that

Don't want no sleep
Playin' hide and seek
Yes, I'm a speedfreak, baby I'm a speedfreak

Way too fast, way too fast
Gonna be the first and last
Shoot ya down, shoot ya down
Flamin' Wreck, you hit the ground

Up for a week
I don't want no sleep
'Cos I'm a speedfreak, baby I'm a speedfreak

No regrets, no regrets
You can't afford 'em yet
Comin' down, comin' down
Over, under, sideways, round

Up for a week
Playin' hide and seek
'Cos I'm a speedfreak, everlasting speedfreak
