You think you see me  
In the glass  
You think you hear me  
Better listen fast

I think I see you  
Gone to seed  
The only reason  
Is your guilt and greed

You're out there on your own  
Your face turned to stone  
What ever happened to your life?  
Stone dead forever

It's been a long time  
It's been a long long wait  
And you caught your fingers  
In the pearly gates

You better leave your number  
And we'll call you  
You know your problems  
Ain't exactly new

You're out there on your own  
Your face turned to stone  
What ever happened to your life?  
Stone dead forever

You're a financial wizard  
Yeah, a top tycoon  
You're sweet long lizard  
With a silver spoon

You know you've never had it  
Quite so good  
And you didn't know  
That you even could

Your time has come today  
Turned down to gray

What ever happened to your life?  
Stone dead forever
