Time to play the game  
Time to play the game  
Time to play the game

It's all about the game, you fall like the rest  
Your failure is my success  
It's all about control, will you make it?  
I want to live with the pain, you can't take it

I'm in control, I am the pain  
After this you won't be the same  
This is my time, I make the rules  
You mess with this and you'll die like a fool

Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain

Time to play the game

I am the debt that can't be paid  
Your going down in flames  
This is the time, I cannot lose  
Live or die you'll have to choose

It's all about me, I am the one  
Soon you'll see there's nowhere to run  
I am the threat that is so real  
Through the blood and the sweat, the pain you won't feel

Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain

Nowhere to run, nowhere to hide  
Now it's time to die  
I am the pain, I am the game  
You won't forget my name

Time to feel the pain  
Time to feel the pain  
Time to feel the pain, go

Time to play the game  
Time to play the game  
Time to play the game  
Time to play the game

Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain  
Pain, here comes the pain

Pain, time to play the game  
Pain, time to play the game  
Pain
