Aboard a train, I met a dame  
She was a hipster  
Man a real gone dame  
She wasn't pretty  
For New York City  
As we strut down on that Ol' Fairlane  
With a heave and a ho  
Well, I just couldn't let her go

Get along  
Sweet little woman, get along  
On your way, get along  
Sweet little woman, get along on your way  
With a heave and a ho  
Well, I just couldn't let her go

The train kept a rollin' all night long  
The train kept a rollin' all night long  
The train kept a rollin' all night long  
The train kept a rollin' all night long  
With a heave and a ho  
I just couldn't let her go

I made a stop 'round Albuquerque  
She must'a thought, I was real gone jerk  
Got off the train at El Paso  
A' looking so good I couldn't let her go  
Get along  
Sweet little woman, get along

Well, the train kept a rollin' all night long  
The train kept a rollin' all night long  
The train kept a rollin' all night long  
The train kept a rollin' all night long  
With a heave and a ho  
Well I just couldn't let her go
