Baby, I'm here to tell you
There ain't nobody like me
I ain't never done nothin'
To cause you misery
I don't say I'm a good man
I ain't the best you could find
But deep down in the dark, babe
I drive you out of your mind
Treat me nice
Oh baby, treat me nice
Take it slow and easy babe
Take it slow and do it right

Baby, listen to me now
Ain't nobody like you
You ain't never done nothin'
That I wouldn't do
I don't want to be evil
That ain't what I'm about
But deep down in the dark, honey
Make you jump and shout
Treat me nice

Go on baby, treat me nice
Take it slow and easy, baby
Take it slow, do it right

You knew I'd be back baby
You know I can't stay away
Take it slow and easy, honey
Make it all night and all day
I won't stop 'til it's over
'Til you feel real good
Deep down in the dark, dark night
Just like a bad boy would
Treat me nice
Baby, baby, treat me nice
You know that's my advice
Take it slow, slow, slow and easy
Take it slow and make it right
Do it right
