I'm not the one - You're waiting for
I'm not the one - You're dreaming of
I'm not the one - To save your soul
I'm not your - Your saviour

...but still you can take my hand
I can take you to wonderland
There you'll see the silent man
I can take you to never-neverland.....land

Tribal belief ruins your mind
I can take you through the life
The ancient rites, the modernday life
In never-neverland you don't have to die.....die
Psycho
Don't don't believe
What you see
What you hear
What you feel
Psycho

But now your time is coming to an end
I must leave now, but you can't escape
You'll fear soon, can't explain the burning inside
The flame burns inside of you, but you can't die
Let it out! Let it out! Let it out! Let it out!

I'm not.....
