Michael Funes - Two Doors

When two doors are getting knocked,
which one are you gonna open...
When there's 2 lives tryna come into one,
which one are you gonna let in...

It's 5 O'Clock in the morning,
and i'm still wide awake...
Thinking bout my answer,
cuz they can no longer wait...
This case single ready to mingle,
and damn I don't know who to choose...
The pressure, I don't even wanna answer,
Cuz one of them i'll have to Lose...
I don't know who to pick,
Cuz I know I wanna be with both of em...
Damn this is sick,
I don't wanna hurt neither one of em...
Damn how could this happen to me,
How could I let things get this bad for me...
I just keep asking myself...

When two doors are getting knocked,
which one are you gonna open...
When there's 2 lives tryna come into one,
which one are you gonna let in...
(Chorus x2)

I wanna make the right decision,
but I don't wanna regret it...
I like both of them, wanna be with em,
Gotta pick One, just One of them...
God, i'm so confused,
I don't know who to Choose...
Damn this is wrong,
Neither of em should be gone...
But no matter what I do,
I gotta pick One...
But if I could keep the two,
No I gotta pick One...
And the question comes up,

Constantly, Who's it gonna be...
Should I let both of them go,
Damn should I, I don't know...
I just keep asking myself...

When two doors are getting knocked,
which one are you gonna open...
When there's 2 lives tryna come into one,
which one are you gonna let in...
(Chorus x2)

I'm in a difficult position,
gotta lose my ambition...
It's Two Doors, Gotta Choose,
walk in right out, Gotta Loose...
Can't Love 2 people,
2 Doors oh this gets deeper...
I don't know who to pick,
Brings you guilt, it makes you sick...
I'm in a difficult position,
but I gotta make my decision...
So here's what Ima do,
I'm not even gonna make the move...
Ima let out the truth,
and let one of Em make the move...
Doorbell ringing got me wonderin who,
Walkin to the Door, Hopin it's One of You...
Askin myself once again...

When two doors are getting knocked,
which one are you gonna open...
When there's 2 lives tryna come into one,
which one are you gonna let in...
(Chorus)
