She doesn't know what it means to be a beauty queen  
She's stuck inside her room staring at a laptop screen  
No, she doesn't know what it means to dig right in  
yourself  
She's someone new when she sits and logs in by  
herself tonight  
Oh tonight

She's only 14 but you think that she was thirty-third  
She knows it all, talks straight  
And even then she'll ask for more

Sweet little girl, she was so kind, she was so cute  
Desensitised, she's mesmerised, men fantasied about  
her  
Nobody cares if you don't turn off and make a fuss  
Nobody cares 'cause we're all your friends in  
cyberspace tonight  
Oh tonight

She'll be your internet angel  
Fourteen year old teenage fantasy  
Tonight she'll be your internet angel  
All she wants is to connect with me

Because nobody cares if you don't turn off and make a  
fuss  
Nobody cares 'cause we're all your friends in  
cyberspace tonight  
Oh tonight

Mummy doesn't know that she's talking to guys twice  
her age  
She thinks her little girl would never do something that  
strange  
Detailed background fiction, oh she's been hypnotised  
Look at home web page, and there look into her eyes  
tonight  
Oh tonight

She meets a guy, they hit it off right from the start  
He likes what she likes and he listens to her heart

Then they agree to meet in a local parking lot  
Outside the mall, she'll have it all  
Who cares, why not  
'Cause nobody cares, if you don't sit up and make a  
fuss  
Nobody cares 'cause we're all your friends in  
cyberspace tonight

She's your cyberspace angel  
Fourteen year old teenage fantasy  
She's your cyberspace angel  
Fourteen year old teenage fantasy

She's your cyberspace angel  
All she wants is to connect with me  
She's your cyberspace angel  
All she wants is to connect with me
