I know you've heard this shit before
But I don't give a shit no more
I'm tired of keeping it locked up inside me

Right now it's just not meant to be
But one day I'll be fuckin' free
I give up everything and more to please her

Everything's impressive
How can I not be obsessive
I'm in search of something blessed
But you know I'll settle for a...

(Chorus)
Tranquilizer, Tranquilizer
Pull me out, lock me up and smash the timer
Tranquilizer, Tranquilizer
Strap me down, shoot me up and make me wiser.

Too bad Toronto's not a sea
Then you could sail across with me
And I could show you every place I've been to

I wake up just to rush to work
Come home and wash off all the dirt
I'm always falling for a flirt who betrays me

Isn't it amazing
How the city sky's so hazy
But below it's fuckin' crazy
I need a break, I need to take a...

(Chorus)
Tranquilizer, Tranquilizer
Pull me out, lock me up and smash the timer
Tranquilizer, Tranquilizer
Strap me down, shoot me up and make me wiser.

(solo)

Everything's impressive
How can I not be obsessive

I'm in search of something blessed
But you know I'm gonna settle for a...

(Chorus)

Tranquilizer, Tranquilizer
Pull me out, lock me up and smash the timer
Tranquilizer, Tranquilizer
Strap me down, shoot me up and make me wiser.
