you see I'm wide awake  
this compute her is sleeping  
seems wide mistakes  
not worth repeating

I'm buried by your lies  
I'm dragged by these ties  
you'd use this to destroy this

lawful orderliness mess  
lawful order clean dismiss

alone in the lie you bury me  
I've read tomes  
what have you read to me  
this play dough was red and it carried  
this play dumb was blue and it buried

I'm buried by your lies  
I'm dragged by these ties  
you'd use this to destroy this

lawful orderliness mess  
lawful order clean this misunderstanding  
this standing  
will spring  
summers fall

a burden of truth  
I'm so happy to be  
unlocked  
unlocked  
never before so merry.  
but alone and this lie I will bury.  
but alone and these cries  
these cries  
these cries  
these cries  
I will carry
