I want to say  
That I can't recall  
the words I need  
to find a better way

you could lie awake  
when all your day dreams break  
I couldn't pass the time  
so I

so I say  
why do you run away  
so I sigh  
whispers are where you lie

you couldn't pave the way  
when I make these day dreams break  
but I couldn't pass the time  
so I

I'll watch you run away  
I know not to  
to find your

so I say  
why do you run away  
so I sigh  
whispers are where you lie  
but I think we can pave the way  
when all your day dreams break  
I hope we can pass the time  
so I

I just wanted to tell you something but I cannot recall  
sick and tired wasted mired and I can have it all  
pulled asunder grounds down under and I  
sick and tired wasted mired and I want to have it all  
with you
