Verse 1:

Ive been thought alot of things in my life, for you to be telling me whats wrong and whats right. The only on that I want is you so baby what you wana do. I love you deep to my soul but if you dont love me just let me go.

Chorus: Baby stop hurtting me, and stop making me cry. Stop playing me you letting me know that my love life is a lie. Im tired of ignoring trouble and something that I should know, but if your cheating on me you mines will just let me go.

Verse 2:

Over and over you tried and tears just kept falling from my eye. Over and over Ive been played. Things will never be the same . You keep crawling to me like nothing is up. Baby, when are you going to give up. I gave you chances, you didnt listen. I gave you love I bet my heart is what you missing. I left early so my feelings wouldnt show. You kept playing me so I let myself go.

Chorus:

Babys top hurting me and stop making me cry. Stop playing me you letting me know that my love life is a lie. Im tired of ignoring trouble and something that I should know, but if your cheating on me you mines will just let me go.

Hook:

Im tired.....of all this pain I take. I wish that I can go back to the very beginning so I can never meet you. You hurt me so.. Youuuuu hurt me so much that I dont know what to doooo. Baby I hate you.

Chrous:

Baby stop hurting me and stop making me cry. Stop playing me , you letting me know that my love life is a lie. Im tired of ignoring trouble and something that I should know but if your cheating on me you mines will just let me go. *2
