"Ancient Skies"

You have never changed.
Your love is endless and Your mercy has remained.
Through all the ages You shine so bright.
Nothing can compare.
You made the heavens and Your glory fills the air.
Through all the ages You ride the ancient skies

And You ride the ancient skies
You're amazing
Creation cries
So will I

You have never changed.
Your love is endless and your mercy has remained.
Through all the ages You shine so bright.
Nothing can compare.
You made the heavens and Your glory fills the air.
Through all the ages You ride the ancient skies.

And you ride the ancient skies
You're amazing
Creation cries
So will I
You're amazing

And You ride the ancient skies
You're amazing
Creation cries
So will I

Now we stand amazed,
And now we sing the word
They sang in ancient days.
A single word that's overflowing
Endless praise: Hallelujah.

Hallelujah (Repeated)
