Intro:

Girl I never meant to make you hurt
I just want you comeback to meÂ....

Verse1

It seems like yesterday, you were here now youÂ've
gone
ItÂ's so hard to forget what we had, how we loved
And every step that I take, reminds me of you
Every girl that I see just looks like you
I donÂ't know what to do, how to live with all this pain
Without you itÂ's just not the same
And everyday I wake up, thinking of you
I just canÂ't take this anymore...

Chorus:

Tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me I just wanna know
Tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me do you think of me anymore

Verse2

Stop and listen what IÂ'm tryin to say is
Girl without you is so painful you just donÂ't
understand
I wanna feel your kiss, feel your touch
Wanna hold you tight, comeback to me
But tell me baby how you doin without me I swear
I donÂ't wanna ruin your life
Just wanna ask some questions about you and me
Tell meÂ... Tell meÂ....

Chorus:

Tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me I just wanna know
Tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me do you think of me anymore

Verse3

Tell me are you still the same
Tell me are you lookin at the picture
I know you can't deny baby you miss me like I do
But we can't change nothing
Cause the things ain't the same no more
You should understand boo it's not your fault

Chorus: 2 times

But tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me I just wanna know
Tell me do you think of me when you wake up
Tell me do you think of me when you go asleep
Tell me do you think of me anymore

Do you think of me anymore...Tell me
