Sometimes I feel like Iâ€™m the only survivor
Lost in a world to defend for myself and I'm frightened
The love that you hold dear
Is so hard to find here
When it floats by
Make sure you hold tight and

Find a place to keep it safe
From harm

When youâ€™re lost and there are no walls to guide you
Look to the sky and read the signs above you
When it gets dark
Donâ€™t let go of
The love in your heart
And where it comes from

Find a place to keep it safe
From harm

Now Iâ€™m pushing, now Iâ€™m fighting, now Iâ€™m losing
To desperation. Iâ€™m done.
Now Iâ€™m pushing, now Iâ€™m fighting, now Iâ€™m
winning
From this point on I will hold on

Find a place to keep it safe
