You're walking too seductively  
You turn heads and lose focus on me  
I picture you with someone else I'm dying inside  
He's with you taking off your dress but it's all in my  
mind

I feel sick it's coming I can't stop it's taking over

And my face grows pale in this moment  
There's a broken monster in me  
I can't look you in the eye  
I'm such a jealous guy

And I'm drowning inside this emotion  
Coz the pain leaves nowhere to breath  
I can't look you in the eye  
I'm such a jealous guy

I'm just too jealous  
Jealous, jealous, I'm I'm jealous, jealous I I I'm so  
Jealous, jealous, I'm I'm jealous, jealous I I I

I'm tortured, so helplessly stuck  
I know that I love you too much  
I should be letting you go free, my mind is a mess  
What comes out is mistaken intuition, I've got to  
confess

I feel sick it's coming I can't stop it's taking over

And my face grows pale in this moment  
There's a broken monster in me  
I can't look you in the eye  
I'm such a jealous guy

And I'm drowning inside this emotion  
Coz the pain leaves nowhere to breath  
I can't look you in the eye  
I'm such a jealous guy

I'm just too jealous

Jealous, jealous, I I'm so jealous Jealous, jealous, I I  
I'm so jealous
