I want to crawl in the mud with you
and drag you underground
I'm gonna spill my blood on you
and humiliate your crown

smear my name on your forehead
smash your silver teeth
empty all your velocet
break your knees

my love, my rose
my garbage fair
my candy cane, my sweet despair
oh, life's a game of force, my child
I'll eat your sweet sweet heart alive

if I was forced to toil again
I'd take that rotten road
and if I had my knife again
I'd cut another throat

if I was forced to live again
I'd chose another fate
but when I was to chose once more,
I did it all again !

I want to tear your skin apart
like an aztec priest
clothe me in its humid warmth
its dripping leaves

my love, my rose
my garbage fair
my candy cane, my sweet despair
oh, life's a game of force, my child
I'll eat your sweet sweet heart alive
