Here we lie
at the banquet
of the last white king
we are drunk

Here we lie
celebrating
like all fools do these days
like all fools do these days
Here we lie
celebrating
like all fools do these days
like all fools do these days

Lecherous, slenderous
we are prisoners
rush! chose the side
hush! chose the side
guided by swine, advised by traitors
and the creeps around our fire places!

it's a vision
it's a lie

Here we march
to the banquet
of the last white war
we are drunk
Here we die celebrating
like all fools do these days
like all fools do these days

it's a vision!
it's a lie.

Straight from starwars into stoneage -
it's excitement and adventure !
here's the cure for all our ailments
for the slaves of entertainment

As we drink the blood by gallons,
fuel of our vices, baby

we would sing about the wonders
awaiting us in a place called heaven ---

it's a vision !
it's a lie.
