you've been away, for quite some time.
and now the rules are different,
now everything's mine.
backtrack. hey say, what's the problem?
here's the problem:
everything's mine.

I can't be quiet.
I can't be quiet any more.
I can't be quiet.
I can't be quiet any more.
yeah.

you've been away, for quite some time.
and now the rules are different,
now everything's mine.
backtrack. hey, what's the problem?
here's the problem:
everything's mine.

I can't be quiet.
