How many roads did i travel before I walkd down the
one that led me to You?
How many dreams did unravel before i believed in a
hope that was true?
How long? How far?
What was meant to fulfill only emptied me still
And all you ever wanted...

only me on my knees
singing holy, holy
and somehow all that matters now is
you are holy, holy

How many deaths did I die before i was awakened to
new life again?
How many half-truths did i bear witness to, til the proof
was disproved in the end?
How long? How far?
What was meant to illuminate, shadowed me still
And all you ever wanted.....

and all i have is gratitude to offer You.
