I am

Pencil marks on a wall, I wasn't always this tall
You scattered some monsters from beneath my bed.
You watched my team win, and watched my team lose
Watches when my bicycle went down again.

When I was weak, unable to speak, still I could call you
by name
And I said Elbow Healer, Super Hero, come if you can.
You said, I am.

Only sixteen, life is so mean
What kind of curfew's at 10 pm?
You saw my mistakes and watched my heart break
Hears when I said I'd never love again

When I was weak, unable to speak, still I could call you
by name
And I said Heartache Healer, Secret keeper, be my best
Friend
You said, I am.

You saw my wear white by pale candle light
I said 'forever' to what lies ahead
Two kids and a dream, with kids that can scream
Too much it might seem when it is at 2 am.

When I am weak, unable to speak still I will call you by
name
Oh, Shepard, Savior, Pasture Maker, Hold on to my
hand.
You say, I am.

The winds of change and circumstance
Blow in and all around us
So we find a foothold that's familiar.
And bless the moments that we feel you nearer.

When life had begun, I was woven and spun
You let the angels dance around the throne.
Who can say when, but they'll dance again

When I am free and finally headed home

I will be weak, unable to speak
Still I will call you by name
Creator, Maker, Life Sustainer
Comforter, Healer, My Redeemer
Lord and King, Beginning and End
I am. I am.
