Rolling river God  
Little stones are smooth  
Only once the water passes through

So, I am a stone  
Rough and grainy still  
Trying to reconcile this rivers chill

Chorus  
But when I close my eyes  
And feel You rushing by  
I know that time brings change  
And change takes time  
And when the sunset comes  
My prayer would be this one  
That You might pick me up  
And notice that I am  
Just a little smoother in Your hand

Sometimes raging wild  
Sometimes swollen high  
Never have I known this river dry

The deepest part of You  
Is where I want to stay  
And feel the sharpest edges wash away

Repeat Chorus twice
