Oh oh oh woah oh oh woah

I want to teach you
How to stand on your feet
As I'm here right beside you
With this heart on your sleeve
So come won't you tell me
All your deepest desires
As a world that is lonely
There's a child in need

And it's here in your eyes
It's here in your eyes, tonight
And I'm lost in desire
I'm caught in your fire, tonight
Hey!
And it's here in your eyes
It's here in your eyes
Hey!

Oh oh oh woah oh oh woah
Oh oh oh woah oh oh woah

Take all your pictures
Of the child in you
There's a longing to let go
There's a longing for truth
So cut all your losses
There's no reason to hide
As I run through the forest
I'm just a child inside

And it's here in your eyes
It's here in your eyes, tonight
And I'm lost in desire
I'm caught in your fire, tonight
Hey!
And it's here in your eyes
It's here in your eyes, tonight
Woah!
And I'm lost in desire

I'm caught in your fire

La la la la, la la la laaaa

La la la la, la la la laaaa

La la, la la la la

[x2]

And it's here in your eyes

It's here in your eyes, tonight

And I'm lost in desire

I'm caught in your fire, tonight

Hey!

And it's here in your eyes

It's here in your eyes, tonight

Woah!

And I'm lost in desire

I'm caught in your fire

Oh oh oh woah, oh oh woah [x2]
