Yeah

Get up
I know you're feeling down
'Cause by now he's running out
And left you amongst the crowd
But without you he says, he says,
"It all feels the same"
When there's so much more for you

If he hurts you
Then why are you in love?
Why are you?
If he hurts you
Then why are you in love?
Ha!

Yeah, whoa

Get up
We're running out of road
And we've stalled
He looks across and in your heart
You know you need to go
But without you he says, he says,
"Well it always feels the same
But babe, don't be that way"

If he hurts you
Then why are you in love?
Why are you?
If he hurts you
Then why are you in love?
Can you tell me, can you tell me why?
If he hurts you
Then why are you in love?

Why are you so scared?

So ask yourself
What am I worth, to me?

Just ask yourself
What is he worth?

If he hurts you
Then why are you...
Why are you scared?
(Why are you? Why are you in love?)
Can you tell me why?
If he hurts you
If he hurts you
(Why are you scared?)
Whoa
