Stay out super late tonight  
picking apples, making pies  
put a little something in our lemonade and take it with  
us  
we're half-awake in a fake empire  
we're half-awake in a fake empire

Tiptoe through our shiny city  
with our diamond slippers on  
do our gay ballet on ice  
bluebirds on our shoulders  
we're half-awake in a fake empire  
we're half-awake in a fake empire

Turn the light out say goodnight  
no thinking for a little while  
lets not try to figure out everything at once  
It's hard to keep track of you falling through the sky  
we're half-awake in a fake empire  
we're half-awake in a fake empire
