Ladies and gentlemen welcome to the show!

If I could be any class I'd try and cause some trouble  
I've never been a paladin and I can blow some bubbles  
Maybe do it like a druid, shifting shapes would be  
surreal

Give the kids a scare, I'd be a bear, or a retarded seal  
(Errrr Errr!!)

Could I be a warrior makin the weight room my home?  
Steroid poppin, football lobbin', with the package of a  
gnome

wouldnt be into lockery sport dresses like a wussy  
(hahii)

But if i was a hunter id tame all the fuckin P\*\*\*\*  
(Uhhhhh)

Call storms while shamaninin shootin lava out and stuff  
But i couldnt shaman man, my totem isnt big enough  
DK spree, is it me? I could be in all the movies

I could Muahaha while lookin spooky chasin' Scooby  
If i could be any class the rogue is here to stay  
shadowstep into the bank vault and stealth my get-a-  
way

Vanish, head to Gigi's room just to see what I could  
find

Abandon Nation then do PVP Gurl from behind (huh?  
Nyhm!!!)

If you could be any class you wanted for a day, What  
would you be?

A pally? A mage? Maybe a Priest?

Would you try to save the world or would you want to  
rule it?

With the globe in your control, use it but don't abuse it!  
If you could be any class you wanted for a day, What  
would you be?

A druid? A rogue? Locks are beast!

Would you try to save the world or would you want to  
rule it?

With the globe in your control, use it but don't abuse it!  
If you could be any class you wanted for a day  
What would you be? What would you be? What would

you be?

[Gigi]

O jeez, no, dont go listening to him

Listen folks, he just jokes, thats just lovable nyhm

but back to the question that makes us all grin

The question with intention to be all the win

Well I wouldnt be a hunter

nah thats only for in-game

real life I'd be a mage

The powers are insane

snow ball fights- do it right with a frostbolt in the jaw

Late at night- its so tight to feel that slow fall

off a cliff -take a wiff at the leap from Nepal

to Dehli, fill my belly with that Lamb Korma

back to home with a port, the best transport

got my water from my conjure- the trip is rather short

not a prob, its ok, cuz I 'd do it again

anytime that I want, plus I could bring my friends

The powers of a mage- so good its a sin

But now the day is over... can I please do it again???

[Demineon]

(hmmm?)

I would scower the earth call me a good or a bad guy more then a hero but not a villain cuz im 2 nice

I might be a death knight

Raisin' the dead causing trouble fa the time

Or maybe a druid start restoring the sea

Cuz sombody messed up with that big ass oil leak

Switch ta boomkin starfall wars over terrorists

Bow down before the powers of a druid

Maybe a mage and conjure up my slef a meal

Sometimes I get hungry ineed some food ta eat

(BUUUURP!)

Go rouge make a book then sell it fa millions  
Somthin' like a politician does it sound familiar  
I could be a shaman liveing engery source  
Electricity blowin out all ya volts  
My figirger tingilin with the feellin of a lightning bolt  
then I could work as excutor shockin all on death row
