Tank- Down Down Down  
Priest-Down Down Down  
Rogue-Down Down  
We're all down. YA!

Guess who's back Back again  
Nyhm is back For the win

Now everyone to the Zul'Aman door  
The Zul'Aman door The Zul'Aman door  
Now everyone to the Zul'Aman door  
Alright stop! MANA time

Cmere everybody,gang that gong  
Guess who's back with a brand new song  
2.3 introducing Zul'Aman  
And a new UI because my mods are gone  
No fear,Dots are nerfed with the resilience gear  
Everyone's a hunter,dead zone disappeared  
And roflcopters for the engineers  
New strategies and new thrills  
Or maybe its just another big repair bill  
Sacrifice kill didn't make it there in time  
Gotta move faster hatin' this damn respawn time  
Boss down slash do a little cheer  
Hopin' you get to replace your gear  
What's the layin' on the mobs corpse  
The epic loot of "Pwn More"  
Everybody's wantin' to roll for  
Nobodies gonna want it who'd care  
Go and get you loot dude, It's OK  
Looks like everyone passed  
And I'm about to roll Need,won't lose this  
[CHORUS]  
I'm not gonna hope for chance, wait till last  
Greed roll when you pass  
Ups I mean Need.Need Need Need!  
Then log with Ninja Speed  
Alright now loot it,just loot it,group hates me,poor  
babies,poor baby babies

Gankin noobs is so damn easy

29 and twinkin' runnin' through the BG's  
Undead rogue so nobody can see me  
All my gear is flamin' AAA  
Ya gotta be hatin' my evisceratin'  
In front of your friends its so humiliating  
I'm unstealthed and waiting till everybody sees  
That I'm gonna stand here and Teabag Your Body  
'Excuse me guys,I'll know That I'm just a new recruit  
But I've raidin' for a year and haven't got to loot  
And I don't know how if I can stomach 30 gold repairs'-  
'He wants loot? I vote he gets the boot now.-Yea!'  
Check out this game girl you play online  
You know I'm not the game in kind.Nyhm! Computer  
mine!  
And I don't get my game time? Fine!  
[CHORUS]  
It's a Tuesday It's a raid day  
It's a shame I've got negative DKP  
But I'm still goin',sorry Mr. raid lead  
Gotta try to get some new gear today  
Now I'm sorry All you other members  
But I'm afraid you won't be looting  
When we drop a boss its purple I see  
Now I'm gonna go over and  
LOOT THAT BODY  
Now this is the part where the group breaks down  
CAPS LOCK means that they're talkin' loud  
Everyone says you're a ninja now  
Savory Deviate Delight and the truth comes out  
Heart back to the inn ya see,and I'm alt tabbin'  
Was a new patch name change and I'm a new man  
Plate and Axes,Swords and Leather  
Disenchant to something better  
Post some auctions, make some cheddar  
Can a white boy say that?  
Everybody in arenas!Yah!Arenas!Yah!  
A higher rating doesn't mean you have a bigger penis.  
What?  
Tenstorms, Lightforge, Deathmantle, Beastlords  
Incantors and Aldar's Bank full of armors  
Everybody to the instance door And equip your battle  
elixir  
Of ninja seein' 'fore I squeeze in and take this  
AAAA I'm only teasin'
