I see you farmin primals in Shadowmoon Valley
10 cents an hours good money when youre chinese
I buy your auctions, you sell my gold right back to me
Feels like youre bending me over
You smile and say
Ni hao
And farm some gold
Ni hao
Your auctions sold
Ni hao
Its getting old
Ni hao
Ohhh-h

Fire elemental, ready to attack now
Savin all my gold, so I can buy an Epic Mount now
Try to shadowbolt, but the mob's already gone down
When the hell did Shadowmoon get bought out by
China Town
IGE's makin bank now, so many famers to try and gank
now
Come back later, lay the Hordie smack down like som
kinda cult
Everybody chantin Ni hao!
Ni hao
And farm some gold
Ni hao
Thats my Furbolg!!
Ni hao
Its getting old
Ni hao
Ohhh-h

Looks like another gold farmer
Cant get my quest on while all of the mob's are gone
Waitin on a respawn that I wont get so I must admit
Im gettin sick of it
Where did all the doggies and kitty cats go?
Since the gold farmers started to show
Dont wanna know whats in the egg roll
And they keep comin back cuz youre givin them dough
Take one down and I felt inspired

Corpse camp untill this china-man gets fired
Thats one farmer theyll have to replace
Not supposed to be here in the first place
I dont know any other way to convey
How much we wish you'd all just go away
Server economy in Disarray
Guess Ill just fear your mobs around all day
Ni hao
And farm some gold
Ni hao
You win, I fold
Ni hao
Its getting old
Ni hao
Ohhh-h

I'd rather be rollin on loot or forum trollin
My quest tells me to get samples of drake skin
Farmers there again, patience wearin too thin
Think it might be gettin time to just log and leave
Get some take-out Chinese
Open my fortune cookie
Its another gold-farm ad from Beijing
Ni hao
And farm some gold
Ni hao
Nothing unsold
Ni hao
Its getting old
Ni hao
Ohhh-h
