Give it to em KJ  
And here I Come  
Give it to em KJ  
In the Legion  
Give it to em KJ  
Names Kil'jaeden  
And all the Naaru say Im pretty fly  
For a Draenei

Kil'jaeden gives chase,  
So we're plummeting through space  
Ya know it's kinda hard to be Eredar today  
When Gul'dans orcish army revanged your entire race  
So you joined the Naaru used your frequent flier miles  
Hopped into a ship, and chashed down on Azuremyst  
Aisle

So out of place. The new Alliance race  
I Didn't know that Warcraft had gypsies from outer  
space  
Got a racial heal, you can barely feel  
a blue skinned race, with hooved goat legs  
Didn't make it far, on the Exodar  
it must be hard to drive with a squid up on your face  
Kil'jaeen's still coming, soo  
HEY HEY! do that Naaru thing!

Give it to em KJ

Give it to em KJ  
Names Kil'jaeden

For a Draenei

They need some strong friends cuz  
They're picked on every day  
but they lost their famely jewels  
So they'd rather run away  
he has to ride an Elekk just to carry his fat ass  
But take cover if he's comin cuz you know he's gonna -

Crash  
So out of place, The new alliance race  
I didn't know that Warcraft had a gypsies from outer-space  
Got a racial heal, you can barely feel  
A blue skinned race, with hooved goat legs  
Didn't make it far, on the Exodar  
Must be hard to drive a squid up on your face  
Kil'jaeden's still coming, soo  
Hey Hey! Do that Naaru thing !

Yea, they made some cool toons  
As far as fantasy goes  
but this ones a cross between  
A smurf a goat and Davey jones  
Yea, I know that they're Alliance  
My mortal enemies  
But i'm still gettin some tail  
And I really mean literally

Give it to em KJ

Names Kil'jaeden

Didn't make it far, on the Exodar  
Is must be hard to drive with a squid up on you're face

Kil'jaeden's still coming  
The legion is still coming  
But their cowardice is blaffing  
HEY HEY! Fo that naaru Thing!!
