Will my heart survive?
I know you are the only one
The love of all my life, oh baby
Will my heart survive?
I know you are the only one
Keep this love alive

I am lonely, alone again
Is this really just the moment where it ends?
A fallen angel, a broken dream
Will it end now, like an old movie scene?
I know for sure, my dreams come true
Can't you see, what hope can do?

Oh, will my heart survive?
I know you are the only one
The love of all my life, oh baby
Will my heart survive
My love is here, but you are gone
Keep this love alive

It's not easy, just one more try
Is this really just the moment where clouds do fly?
I am sorry - please take your time
Oh, you'll never find a bigger love than mine
Oh, please don't go, don't break my heart
I miss you so, don't tear apart

Oh, Will my heart survive?
I know you are the only one
The love of all my life, oh baby
Will my heart survive?
My love is here, but you are gone
Keep this love alive (alive)

Will my heart survive?
I know you are the only one
The love of all my life, oh baby
Will my heart survive?
I know you are the only
The love of my life, oh baby

Will my heart survive?
