Staring at you  
Distant as a magazine  
I've never felt so helpless  
Time it seems to me  
I'm waking from a dream  
You've left me feeling restless

I try to dance you out of my head  
I try to get you in my arms  
The smell of you hangs in my bed  
To what you might've thrown along

And every mirror I see your face  
And every room I hear your voice.  
I try to dance you out of my head  
Sometimes there hardly is no choice

Staring at you  
Distant as a magazine  
I've never felt so helpless  
Time it seems to me  
I'm waking from a dream

I try to dance you out of my head  
I try to get you in my arms  
The smell of you hangs in my bed  
To what you might've thrown along

And everywhere I see your face  
And every room I hear your voice.  
I try to dance you out of my head  
Sometimes there hardly is no choice

I try to dance you out my head  
I try to get you in my arms  
The smell of you hangs in my bed

In every mirror I see your face

I try to dance you out of my head  
Sometimes there hardly is no choice
