She Says talk dirty to me--- yah.
I says, "for real"
The Kind of Girl I likes to see,
Behind my wheel...
Every time she pulls me near, my pants get tight,
makes it oh so clear...
Makes it oh so clear,

That black light shines upon your skin, let it soak, ya let
it all soak in...
Let it all soak in...

She says "be naughty to me"
I says "for real?"
From where you are, baby can't you see,
This Chemistry is for real
Every time she walks this way, my pants get tight,
makes me want to stay
Make me want to, stay...

Feel the beat, under your skin, let it soak, ya let it all
soak in.
Let it all soak in
----Solo----
g7 / Am

Every night, the greatest things that I dream into my
head,
Is when I hold you nice and close, and pull you into
bed...

Well, every time she pulls me near, my pants get tight,
makes it oh so clear,
Make it oh so clear...

That black light shines upon your skin, let it soak, yah
let it all soak in...

Let it all soak in...
Let it all soak in...
Ya, let it all soak in...
