Reckless  
The truth of mortal sin  
Damnation lurk in every soul...  
...Accused for something ever existing  
In dreams long lost forgotten  
Mind destruction, cattle bleeding!  
Breeze of eternal destruction

Mind destruction, cattle bleeding!  
Breeze of eternal destruction

Peccata Mundi  
Sinister reannounce that we are part of this sin  
Peccata Mundi  
Reign supreme our wicked mind (if wicked ever they  
are?)

My Greed my Pride never to escape  
My Envy my Anger true thought are they  
I revel in lusture, Indolent I am  
For I'm a living man

Reckless  
The truth of mortal sin  
Damnation lurk in every soul...  
"Vile torturer who brought these temptations"

...Accused for something ever existing  
In dreams long lost forgotten  
Mind destruction, cattle bleeding!  
Breeze of eternal destruction

I stride towards the eternal flow

Mind heart and body, pounding with lust  
Hark, hear all the whispers of anguish  
Soon to adhere to that river of strength

Peccata Mundi  
Sinister reannounce that we are part of this sin  
Peccata Mundi  
Reign supreme our wicked mind (if wicked ever they

are?)

I stride towards the eternal flow  
Mind heart and body, pounding with lust  
Hark, hear all the whispers of anguish  
Soon to adhere to that river of strength

My Greed my Pride never to escape  
My Envy my Anger true thought are they  
I revel in lusture, Indolent I am  
For I'm a living man

Reckless  
The truth of mortal sin  
Damnation lurk in every soul...  
"Vile torturer who brought these temptations"

...Accused for something ever excisting  
In dreams long lost forgotten  
Mind destruction, cattle bleeding!  
Breeze of eternal destruction
