Will you be?  
My misery

Heart in heart  
Hand in hand  
Black on black

Promise me  
Hope on hope  
Hurt on hurt  
Grief on grief

Swear to me  
That you will be  
My dear and sweet

Marian  
Loreli  
Angeline

Darling please  
Iâ'm On My Knees

How the stars they hum  
And multiply, mystify  
Sad and long their hymn  
And you and I we are  
weary and wondering  
Chasing their song across the sky  
Their lullaby

Make believe  
You are here with me  
Day and night  
Bruised and torn  
Broken down
