An unspoken knowledge of prescription happiness.
An everyday affair, with shattered dreams of being
someone.
It lost the whole meaning.

There's no cause. There's no want.
I have no light for your black days.
I don't know, what you want.
I have no answers for your black days.

A power larger than the sky,
Stronger than both you and I.
I'm holding nothing that will help you.
I don't know why you sought out me for something I
can't give you.

There's no cause. There's no want.
I have no light for your black days.
I don't know, what you want.
I have no answers for your black days.

BLACK. DAYS.
BLACK. DAYS.
THERE'S NO CAUSE. THERE'S NO WANT.
I HAVE NO LIGHT FOR ... YOUR BLACK ... DAYS.

There's no cause. There's no want.
I have no light for your black days.
I don't know, what you want.
I have no answers for your black days.
