"My Apology"

I know I've done some things to you.
I say some things I shouldn't, too.
Don't know why I act like I do.
Maybe I need to get away.

Still you continue to help me.
Supported what I want to be.
You even gave me eyes to see.
Maybe you need to get away.

My apology for what I've done to you,
I'd take it back if I could.
There's no excuse for why I've treated you
So horribly it's on ... ME.

Is there some way I can repay
or reverse hurtful words I say?
So much time I let go to waste.
Still you would never turn away.
Can I turn all this time around.
You never thought you'd hear the sound.
I think I finally have found,
What I had never seen before.

My apology for what I've done to you,
I'd take it back if I could.
There's no excuse for why I've treated you
So horribly it's on me.

It's all on me.
It's all on me.

My apology ... for what I've done to you,
I'd take it back if I could.
There's no excuse for why I've treated you
So horribly it's on me.
