I am on my own
There's no one in the room
They've left me all alone
I don't know what to do
I'm keeping track of time
Seconds seem like they're days
But I'm just in a haze
I'm blinded by your corruption
You never thought of me
You hate the things you see
You'll never last because you think
Your say will end all things

THINK I CAN'T LIVE WITHOUT YOU,
WITH ALL I KNOW ABOUT YOU.
JUST WISH I NEVER MET YOU,
OR EVER EVEN KNEW YOUR NAME.

I don't know why I'm with you
Yet still I will try for you

What was that you say?
You'll never be that way?
Today is your new day
Should I feel happy for you?
I can't believe my ears
It only took three years
I bet you somehow think its my fault
For the complications.

You never took the time,
To get yourself in line.
And take the chance,
To get to know those with open mind.

I'M BETTER OFF WITHOUT YOU.
NOW THAT I'VE SEEN THE REAL YOU.
OR LACK THEREOF, I MEAN TO
LOCK YOU FROM MY MEMORY.

I don't think I can stay ...
You should just walk away.

NOW I KNOW
You're so conceited.
NOW I KNOW
You'll never beat me down.
NOW YOU KNOW
You're so conceited.
NOW WE KNOW
I'm done with you.
