Verse 1- I can hear it everywhere its over here and now  
its over there I think its gonna be a special day hey hey  
hey ya!!!

Bridge- In The air (I feel it coming now) its coming  
quickly (its coming its coming its coming)

Chorus- I knew this day would come but I have too  
admit I thought not so soon I can't believe its  
happened to me. Like I knew it would (like I knew like I  
knew-----) it is rushing through me and now what can I  
do but just ignore him

Verse 2- I knew it would come but not this fast (but not  
this fast) I planned on different ways but he is still at  
my window (still at my window) he is waiting for me to  
come down.... But that's not a rode I want to see  
again

Chorus- I knew this day would come but I have too  
admit I thought not so soon I can't believe its  
happened to me. Like I knew it would (like I knew like I  
knew-----) it is rushing through me and now what can I  
do but just ignore him.... I can't see that prince  
charming again
