

## **New Cities**

### **"As I Figure Out"**

Visit "[As I Figure Out](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I'm buildin' up a wall  
I'm covering my eyes  
I try not to scream  
As i figure out those lies

I don't want to turn away  
Gotta face the demons  
I can't stand to feel ashamed  
Gotta act on it

Is anyone awake?  
Is anyone awake?  
Can you hear me?  
'Cause everything here is so loud  
And everyone around should understand it

I'm breaking down the wall  
I'm letting my mind out  
I'll be stopping the leaks  
As is figure out those lies

I will rise and take a chance  
Gotta break the silence  
I can't give in to despair  
Gotta act on it

Is anyone awake?  
Is anyone awake?  
Can you hear me?  
'Cause everything here is so loud  
And everyone around should understand it

Is anyone awake?  
Is anyone awake?  
Can you hear me?  
'Cause everything here is so loud  
And everyone around should understand it

I'm buildin' up a wall  
I'm covering my eyes  
I try not to scream  
As i figure out those lies

I'm breaking down the wall  
I'm letting my mind out  
I'll be stopping the leaks  
As if figure out those lies
