Black clouds over me, Iâ'm paranoid
I canâ't shake the ground beneath my feet
Stuck in between
The right and wrong way of admitting my defeat
So much confusion
Disillusion of what weâ're supposed to be
Thereâ's no solution
Itâ's the point of view weâ're all too blind to see

All by myself, Iâ'm on my way
Iâ'll never surrender
Far beyond where all ambitionâ's locked away

Corruption in the streets, Iâ'm terrified
The cracks in the windows are losing heat
So much Iâ've seen, the more I try
It keeps getting harder to believe
So much confusion
Disillusion of what weâ're supposed to be
We canâ't stop the motion
With this notion weâ're so used to living with

All by myself, Iâ'm on my way
Iâ'll never surrender
Far beyond where all ambitionâ's locked away
All by myself Iâ'm on my way
Iâ'll never surrender
Far beyond is where my passion hides away

When did we become
Ashamed of what weâ've done
Just like a loaded gun
Weâ've got the power
Weâ'll fight back in anger
Weâ're falling in deeper
Deeper and deeper
Weâ'll fight back in anger

All by myself, Iâ'm on my way
Iâ'll never surrender
Far beyond where all ambitionâ's locked away
All by myself Iâ'm on my way

Iâ€™ll never surrender
Far beyond is where my passion hides away
