joe: they come and go but they don't know that you are
my beautiful. I try to come closer with you but they all
say we won't make it through.

All: But I'll be there forever, you'll see that its better all
our hopes and our dreams will come true, I'll never
disappoint you cause I'll be right there for you. Till the
end- the end of time Please Be Mine

ohhhh oooh.

Joe: I'm in and out of love with you tryin' to find if its
really true (na na na na) how can I prove my love if they
all think i'm not good enough?

All: But I'll be there forever, you'll see that its better all
our hopes and our dreams will come true, I'll never
disappoint you cause I'll be right there for you. Till the
end- the end of time Please Be Mine.

All: cant stop the rain from fallin'
cant stop my heart from callin' you, its callin' you (x4)
All: But I'll be there forever, you'll see that its better all
our hopes and our dreams will come true, I'll never
disappoint you cause I'll be right there for you. Till the
end- the end of time Please Be Mine.
