

No Reason "My Mistake"

Solemnly do i swear, as i breath in this winter air,
as you take a look with your loving eyes,
it's time we say goodbye,
It's my mistake for falling for you, as i hear this pitol
calling for me,
I take my last look around, as my soul falls to the
ground,

(chorus) I said i could take this lying down, I never
thought i'd be doing this now,
And even only if i see you deep in my memories,
I always said to my dying breath,
That your so beautiful to me,

Remember when you said things would be alright,
but now i realize, that your just filthy in lies,
I can't believe you left me all alone,
Having only this cold trigger to hold
