Funeral Domination in delicious quiet,

Lofty Pharaoh of decadence,

we invoke your deleterious infinity,
sinuous Serpent on the macabre mist
The cold earth slept below,
above the cold sky shone,
and all around with a chilling sound,
from caves of ice and field of snow,
the breathe of night like death did flow,
beneath the sinking moon.-Shelley-

The quake of christ
The sombre creatures of evil
I fear,I run,I blaze...

"Phn'glui M'gl wna'f, Cthulhu R'Iyeh Wgha Nagl Ftaghn"

And dark flowers openid their petals
at the simphony of night,

through the ancestral forest I ve heard
tremendous echoes of blasphemous flaute,
discorde armony,unholy cacophony,
and fascinate eyes arduous in black

A Ruinous Dominion ,
devilish visions drowned by blood,
inhaling putrescent undead stink,
cadaverous sudarium in a nocturnal fog,
Necromantia,
dissectioned organ exhumed from tomb
Under cruel screams
Gathes on burnig hell calls me,
I rise forever fire embrace me
by torture,by submission,
by horrible monsters without face,
I outstretch my tentacles on world
