The flame of innatural knowledge  
a forbidden parchment burns my hope  
I breathe the ancient splendour  
Superme art closed in your merciless gaze.

You desire ebony seals,  
for eden fallÂ' down in nocturnal ecstasy,  
Arcane Whisper of Evil  
furious are you  
and the stars fade away  
into your universal claws.

The Great Ancient will rise  
Yog -Sothoth, Azathoth,  
The Great Ancient will rise  
Cthulhu, Tsathoggua,  
And you power hidden in darkness  
Nyarlahotep The Pharaoh

"Il sangue e il Necrosacrificio dell'essere prescelto.  
Voi siete le vittime per la nostra ascensa,

Perche il destino inferiore si connubi al caos  
primordiale.

Non e morto cio che puo vivere in eterno,  
E in strani eoni anche la morte puo morire.  
Calpestate le anime plebee e deboli ,  
Perche il trono dominante si ergera sulle loro putride  
carni"

Mortalia Squirm Terrorized  
You are perverse Tyrant  
Heresy of black light,  
Decay the night in sacrifice  
Let the flood of blood be your crown  
Let the mysterios egypt show us his secret  
We denounce your sentence  
Sneaky god of plebeians.
