{Verse 1}

with a sign in my eye  
full of hatred at your lies  
WHITTIER TRECE esti ½ la mos ill be banging till i die  
small haters wanna take us  
pull a trigger on a feene  
i unleash the better grounds  
what you know about a G?  
reppin actin like you tough  
snoop doggy you can trust  
simpithyzes on your team  
they collect so they can cross  
their fingers do a thrust  
co parrar ballas bust  
got soldados infordaldos they don't even give a fuck  
broken bones to the stone  
penetrating to your tone  
southsider pandillero yo mi chique now my zone

{Chorus}

Banging on the block  
with a tear on my eye  
i'm an anybody killa  
like the gangsta Lil Rob  
when chokin out lives  
making bullets collide  
i'm an anybody killa (a killa)

{Verse 2}

I'm the King of the south  
I put 2 glocks in your mouth  
these skinny mayas talkin out  
purpatrating on clouds

sent from prisons into land  
got slaw mexicans  
Chino Grande pancho via

on them missions rally dipping  
I'm the one to leave you dreding  
full of blood trip the wet  
sweaty palms from the tec  
disrespecting your a broke  
on that sierro selling tokes  
fuck your dope  
your putos already know  
talking trash through the glass  
bodies mangled then laughin  
unlease the magazines with thirty rounds in the desk  
mother fuckers wanted drama  
put your brains on the column  
and they wonder why they gonnas  
sniffing on marijuana  
yeah, thats right ese, charlie row campo

{Chorus}

Banging on the block  
with a tear on my eye  
i'm an anybody killa  
like the gangsta Lil Rob  
when chokin out lives  
making bullets collide  
i'm an anybody killa (a killa)
