Is it cos Im cool  
Is it cos Im cool  
Why you dress like me is it honesty or you just a fool  
Is it cos Im cool  
Why the school kids laugh cause the papers got it  
wrong again  
Is it cos Im cool  
Take a piece of me serve me up on a plate in your  
restaurant  
Is it cos Im cool  
Is it cos Im cool  
Is it cos Im fly  
Cos I said what I said when I said what I said but I didn't  
say  
Is it cos Im hip  
Why you dig my shit and you say I am a fan now I  
understand  
Is it cos Im hot  
Why you mention me in your V.I.P memories  
Is it cos Im cool  
Is it cos Im cool  
I aint buying or selling today  
Im just looking around  
For some decent conversation  
No hidden agenda  
No phony pretender  
No holding on out for no sweet sixteen  
Or peppermint dream  
Ill call you please don't call me  
Is it cos Im cool  
Is it cos Im cool  
Is it cos Im Smart  
Why you break my heart with the lies you tell baby kiss  
and tell  
Is it cos Im wrong  
That you jump right in with no discipline baby sink or  
swim  
Is it cos were friends why you use my name just to  
entertain yeah  
Is it cos Im cool  
Is it cos Im cool

Time keeps ticking and running away  
And it's taking us fast to a brand new free dimension  
Too cool to mention well that's the intention  
But some of us too damn blind to see  
Its setting us free  
Say goodbye to jealousy  
Is it cos Im cool  
Is it cos Im cool
