Is it coz I'm cool,
Why you dress like me,
Is it honesty
Are you just a fool,

Is it coz I'm cool,
Why the school kids laugh 'cause the papers got it
wrong again,

Is it coz I'm cool,
Take a piece of me serve me up on a plate in your
restaurant.

Is it coz I'm cool,
Is it coz I'm cool,

Is it coz I'm Fly,
'Cause I said what I said when I said what I said but I
didn't say,

Is it coz I'm Hip,
Why you dig my sh** and you say I'm a fan now I
understand,

Is it coz I'm Hot,
Why you mention me in your V.I.P memory,

Is it coz I'm cool,
Is it coz I'm cool,

I ain't buying or selling today,
I'm just looking around for some decent conversation,
No hidden agenda,
No phoney pretender,
No holding on out for no sweet sixteen,
Or peppermint dream,
I'll call you please don't call me.

Is it coz I'm cool,
Is it coz I'm cool,

[Instrumental]

Is it coz I'm Smart,
Why you break my heart, with the lies you tell, Baby
kiss and tell,

Is it coz I'm Wrong,
That you jump right in with no discipline,
Baby sink or swim,

Is it coz we're Friends why you use my name just to
entertain yeah.

Is it coz I'm cool,
Is it coz I'm cool,

Time keeps ticking and running away,
And it's taking us fast to a brand new free dimension,
Too cool to mention,
Well that's the intention,
But some of us too darned blind to see,
It's setting us free,
(Free)
Say "Goodbye" to jealousy.

Is it coz I'm cool,
(No one really call),
Is it coz I'm cool,
(Take a piece of me)
Is it coz I'm cool,
(Why you mention me)
Is it coz I'm cool,
(In the V.I.P.)
Is it coz I'm,
Is it coz I'm cool,
Is it coz I'm cool,
Is it coz I'm cool?
